RE: FOIA Request – Automated License Plate Readers (ALPR)

Dear Chance,

In response to your Freedom of Information Act (FOIA) request regarding Automated License Plate Readers (ALPR), please be advised that the Brandon Township Board adopted a resolution at its September 14, 2026, meeting to prohibit the use of ALPR technology within the Township.

Brandon Township has never installed or operated ALPR devices, does not currently have any ALPR devices in use, and has no contracts or agreements with any company for ALPR equipment, services, or related technology.

As such, Brandon Township has no records regarding the purchase, installation, operation, or maintenance of ALPR systems, nor any contracts or agreements with ALPR vendors.

If you have any questions, please feel free to contact our office.

You are further informed as the follows:

You have the right to submit to the Township Supervisor a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of this disclosure denial (MCL 15.230(1)(a)).

You have the right to commence an action in Oakland County Circuit Court to compel the Township's disclosure of the public records within 180 days after this letter of denial or 180 days after the final

determination by the Township if you appeal to the Supervisor (MCL 15.240(1)(b)).

If you are successful in the Circuit Court action the Court can order disclosure of a document or documents. The burden is on the Township to prove its denial was proper. (MCL 15.230(4)). If you are successful the Circuit Court shall award you reasonable attorney fees, costs and disbursements. If you are only partially successful the Court may award you an appropriate part or all of the reasonable attorney fees, costs and disbursements (MCL 15.240(6)).

D. If the Circuit Court determines that the Township has arbitrarily and capriciously violated the Freedom of Information Act by refusal or delay in disclosing or providing copies of a public record, the Court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of \$500.00 to the person seeking the right to inspect or receive a copy of a public record.
