Dear Requester: Chance Ackley-Smith

The Eastpointe Police Department has received your request for public records under the provisions of the Michigan Freedom of Information Act (FOIA), MCL 15.233 et seq.

At this time your request is denied. We are not the keeper of the requested records. That information is generated in a database directly with FLOCK Safety. The public body is not required to generate a public record Under MCL – Section 12.233 Section 3 to fulfill a FOIA request. Please see below.

Under MCL – Section 15.233 Section 3. (4)(5)

Public records; request requirements; right to inspect, copy, or receive; subscriptions; forwarding requests; file; inspection and examination; memoranda or abstracts; rules; compilation, summary, or report of information; creation of new public record; certified copies.

(4) This act does not require a public body to make a compilation, summary, or report of information, except as required in section 11.

(5) This act does not require a public body to create a new public record, except as required in section 11, and to the extent required by this act for the furnishing of copies, or edited copies pursuant to section 14(1), of an already existing public record.

Under FOIA, section 10, you have the right to submit a written appeal of the denial to the head of this public body or you may commence civil action for judicial review of the denial. If you prevail in such action the court may award attorney fees and costs.

The Eastpointe Police Department FOIA procedures and guidelines can be accessed at [Freedom of Information Act \(FOIA\) \(cityofeastpointe.net\)](http://cityofeastpointe.net)

Sincerely,
