Good afternoon Chance,

Pursuant to your FOIA request regarding license plate reader vendor agreements and payments, the request is denied because I certify that public records do not exist under the description given or other names reasonably known to the Township, MCL 15.235(4)(b).

Please respond to this email that you have received a response to your FOIA request, and it is to your satisfaction.

For any parts of your request that have been denied, or any aspects of my response you consider to be a denial, you have the right to an appeal to the Township Board of Trustees that is done by submitting a written appeal to the Township Clerk that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial, or, you have the right to seek judicial review of the denial under Section 10 of the Michigan Freedom of Information Act, MCL 15.240. If, after a judicial review, the Circuit Court determines that the Township has not complied with MCL 15.235, and orders disclosure of all apportion of a public record, you have a right to receive attorneys' fees and damages as provided in MCL 15.240. <https://highlandtwp.net/images/FOIAPolicy-1.pdf>
