Dear Mr. Ackley-Smith,

Please be advised that the Village of Holly ("the Village") received and reviewed your recent Freedom of Information Act (FOIA) request dated October 14, 2026. Specifically, you requested the following documents from the Village:

"Time frame: January 1, 2020 through the date this request is received.

1. Agreements with, and payments to, any license plate reader vendor. Every agreement between the Village of Holly and a vendor of automated license plate reader cameras, software, or data in effect at any point in the time frame, and every record of a payment to such a vendor in the time frame: contracts, leases, trial or pilot agreements, order forms, accepted quotes, purchase orders, invoices, payment records (a check, check-register line, or other disbursement record), and the agenda item, minutes, or recorded vote of any council, board, or commission action approving an agreement or payment. Vendors of this kind include Flock Safety (Flock Group Inc.), Motorola Solutions, Vigilant Solutions, Axon, Genetec, Rekor, Leonardo, and ELSAG. This item also covers any other vendor of the same technology, and an agreement or payment made through a reseller, a grant, a donation or gift, or another public body (for example a county sheriff's office) as well as one made directly. An agreement with one of these vendors for something else (radios, body-worn cameras, Tasers) is not requested unless the product includes license plate reading."

Upon inquiry, Holly Police Department Chief, Jerry Narsh, has indicated that the Village of Holly does not have contracts with any provider of automated license plate readers or flock cameras. Therefore, the Village has determined that there are no records responsive to your request.

In the event you are not satisfied with this response you have the right to submit a written appeal under 15.240 or 15.240a to the Village of Holly, that specifically states the word "appeal" and identifies the reason or reasons for reversal of this denial.

In addition, you may also seek judicial review of this denial pursuant to MCL 15.240, including the right to receive attorneys' fees and damages as provided in MCL 15.240 if, after judicial review, the circuit court determines that the public body has not complied with this section and orders disclosure of all or a portion of a public record.

Sincerely,

Lisa Bone
