RE: FOIA REQUEST of September 29, 2026, Reference # F007410-092926

Dear Chance Ackley-Smith:

This letter is in response to your Freedom of Information Act (FOIA) referenced above. Your request is granted for existing, non-exempt information in our possession that is relevant to your request.

Under the Michigan Freedom of Information Act, the County may charge a fee to identify and collect the information you requested. If the fee is over \$50, the County may request a deposit equal to one half the amount of the cost.

The County requests a deposit of \$92.79 of an estimated final invoice of \$185.58.

As a courtesy, please be aware that information about Oakland County Sheriff's Office's use of Flock Safety cameras is available via: <https://transparency.flocksafety.com/oakland-county-mi-so>

You may log in to the Oakland County Records Center to view the invoice and pay the deposit.

The final fee may be slightly higher or lower depending on the work needed to complete your request.

I estimate that it will take between 60 and 90 business days after receiving the deposit to finish processing your request. Once finished, you will be notified in writing of the balance payable before the records are disclosed. Additionally, you will be informed of any withholding of exempt information, with the specific statutory basis for the exemptions explained at that time.

Oakland County's FOIA Procedures and Guidelines, and its Public Summary, can be found at <https://www.oakgov.com/government/FOIA>

Sincerely,

Sheriff's Office
