

Note added by Michigan Plate Readers. Email from the City of Rochester Hills' City Clerk's Office, October 21, 2026, 1:22 pm, on our request (the City's FOIA 2026-358). Text as received; the sender's name (by role), the logo and the confidentiality notice are left out. The records it sent will be published with our analysis, after the City's review. End of note.

Pursuant to your request the following departments have provided information and attachments to his email.

Purchasing:

Attached in a google drive folder are the agreements and POs (nine documents in total).

** Please note there is one payment of \$25,000 in which we do not have a PO specifically for this as it was paid via pcard. This will be reflected in Accounting's response. The City initially paid the vendor via pcard, but the vendor later stopped accepting it without incurring fees, so we transitioned to check payments.

Accounting:

Attached is a spreadsheet detailing all of the payments made to the vendor (Flock Group Inc.).
