

Note added by Michigan Plate Readers. Email from the Shelby Township Police Department Records Bureau, October 20, 2026, 4:00 pm, answering both of our requests of October 4 with one fee estimate (the statement is published with the log). Text as received; the signer is given by role, and the signature block's address, phone and hours are left out. End of note.

Please see the attached Estimate Statement. We require a 50% deposit for any Estimate over \$50.00. Once we receive your deposit of \$137.70, we can begin working on your FOIA request. Do not pay the full amount, since the final total can change as the work is completed.

It could take up to 90 business days to complete the request once the deposit is received. There is a link on the statement with the online payment information or you can mail a check to our department.

Please note all FOIA requests are redacted per FOIA law, state statutes and information received from other law enforcement agencies. If payment is not received by November 12, 2026, the records request will be closed.
