

Filed September 29, 2026 by email to the Township Clerk's office (no request number is assigned; the reference is ours); our reference STP-2026-09-29-A.

FOIA request under the Michigan Freedom of Information Act, MCL 15.231 et seq. Please provide the following records of Sumpter Township and the Sumpter Township Police Department in the electronic format in which they are kept (PDF, XLSX, or CSV) by email or through your records portal; I stipulate electronic delivery of the records and of your response (MCL 15.234(1)(c); MCL 15.235(10)). No paper copies or physical media are requested.

1. Every agreement between the Township (including the Police Department) and Flock Group Inc. (Flock Safety) in force at any time since January 1, 2026: master agreements, order forms, amendments, renewals, trial or pilot agreements, and any agreement or order form for search or network access without cameras, each with its term and expiration date.
2. The trial or pilot agreement with Flock approved in or about April 2026, the cancellation notice sent in or about August 2026, and Flock's acknowledgment of it; and every other notice of non-renewal, termination, or suspension sent to Flock since January 1, 2026, with every written acknowledgment or response from Flock, including any statement of the date service ends and the date data will be deleted.
3. The Police Department's written policy or general order on automated license plate readers, current and any prior version in effect since January 1, 2024.
4. Any audit, review, or report by the Department of searches of its cameras by other organizations, and any audit or review of the Department's own users' searches, since January 1, 2024.

If no record exists for an item, please include in your written response the certificate required by MCL 15.235(5)(b) that the record does not exist under the name given here or by another name reasonably known to you.

Fees. I request a public-interest fee waiver or reduction under MCL 15.234(2): the records concern the trial and cancellation of a public automated license plate reader program, and the results will be published for the general public at no charge on a public website covering Michigan license plate reader programs, so furnishing them can be considered as primarily benefiting the general public. If the Township assesses a fee for any item, please process the remaining items and send the itemized estimate for that item on the Township's detailed-itemization form (MCL 15.234(4)), and, if the estimate exceeds \$50, the deposit notice under MCL 15.234(8), within the response period of MCL 15.235(2), so that I can narrow it. If any portion is exempt, please release the non-exempt portions (MCL 15.244(1)) and, for each withholding, state the basis and describe what was separated or deleted (MCL 15.235(5)(a), (c)). Thank you.
