

Note added by Michigan Plate Readers. Email from the Department Manager/FOIA Officer of the Wayne County Sheriff's Office, October 19, 2026, 1:10 pm, a reply on the thread of our request of October 16: asks that the request be submitted through the County's online portal. Text as received; the office address lines, the signer's mailbox, the website line, the signature images, the confidentiality notice and the quoted request are left out (the office line kept is the one printed on the Office's FOIA page); the portal address is shown as displayed, without the County's link-protection wrapper. End of note.
