Re: Freedom of Information Act Request – ALPR Vendors

Dear Mr. Ackley-Smith:

This letter will acknowledge receipt of your October 14, 2026 e-mail request for public records under the Michigan Freedom of Information Act, MCL 15.231 et seq. More specifically, you requested the following:

Agreements with, and payments to, any license plate reader vendor. Every agreement between the Village of Wolverine Lake and a vendor of automated license plate reader cameras, software, or data in effect at any point in the time frame, and every record of a payment to such a vendor in the time frame: contracts, leases, trial or pilot agreements, order forms, accepted quotes, purchase orders, invoices, payment records (a check, check-register line, or other disbursement record), and the agenda item, minutes, or recorded vote of any council, board, or commission action approving an agreement or payment. Vendors of this kind include Flock Safety (Flock Group Inc.), Motorola Solutions, Vigilant Solutions, Axon, Genetec, Rekor, Leonardo, and ELSAG. This item also covers any other vendor of the same technology, and an agreement or payment made through a reseller, a grant, a donation or gift, or another public body (for example a county sheriff's office) as well as one made directly. An agreement with one of these vendors for something else (radios, body-worn cameras, Tasers) is not requested unless the product includes license plate reading.

Please be advised that your request is granted. The following records are attached:

- A copy of the Village's current agreement with Flock Safety for three (3) ALPR cameras.
- A copy of the relevant portion of the Village Council meeting minutes from July 12, 2023, when the purchase was approved.
- A spreadsheet detailing all invoices from and payments to Flock Safety between July 1, 2023 and October 5, 2026.

Given the nature of your request, any fee for providing these records is waived.

Best regards,

David W. Gillam

Village Administrator/Clerk
